I. INTRODUCTIONS Ana Garver, Chair

AIM OF AREA BOARD #12: Area Board shall protect and advocate the rights of all persons in the area with developmental disabilities. The Area Board shall promote the rights of persons with developmental disabilities to live, learn, work, and play in their communities with people without disabilities with supports and assistance necessary to benefit from being in typical community environments. The Area Board shall promote to people with developmental disabilities services, which are continuously improving in quality. Such services should be inconspicuous, and controlled by the user—with supports as necessary—who is responsible and accountable for the resources used to provide the services. The Area Board shall promote the empowerment of all persons with developmental disabilities, and their families, friends, and service providers, in the accomplishments of their individual goals and objectives. The Area Board shall promote beneficial interdependent relationships among people with developmental disabilities and their family, friends and community.
